A Guide for ERHS students, faculty, parents, alumni, and friends

## **PURPOSE OF THIS GUIDE**

To acquaint Eagle Rock students, their teachers, families, friends, and ERHS alumni with the scholarships and other awards that are available each year exclusively for ERHS students.

We believe this information will encourage our students to strive to attain scholarships and thus continue their education beyond high school. Also, we hope that it will encourage members of the Eagle Rock community and alumni to establish new awards and provide support for the scholarship program.

### **ERHS Scholarships and Awards**

Many kinds of scholarships and other financial assistance are available to Eagle Rock students. Federal and State financial assistance and aid provided by outside organizations, colleges, and universities are not described in this guide. Such information can be found in the ERHS College Counselor's Office.

The awards listed here are given only to Eagle Rock High School students. They require students to submit an application. Criteria for each scholarship are included in its description. The policies and procedures set forth below govern awards.

### **Scholarship Policies and Procedures**

1. The scholarship application requires a student to commit to attending Senior Awards Night and writing a letter of appreciation to the donor of the award received by the student.
2. Verification of college enrollment must be submitted to the Soaring Eagle Education Foundation in order for funds to be disbursed.
3. Scholarship funds are distributed only to graduates who will be full-time students (minimum 12 units). However, in special circumstances, this rule may be waived. Students requesting such consideration must submit a written request to the Soaring Eagle Education Foundation.
4. Students must claim awards on or before December 31 of the year of high school graduation or, by that date request a single, one-year extension of eligibility.

### **COFFEE CAKE, COMMUNITY & COLLEGE CASH SCHOLARSHIP**

The community of Eagle Rock, although part of the vast city of Los Angeles, has always exuded a small-town feel. Those of us who spent our wander years in its streets and schools and planted our roots in its soil, truly understand how special and unique this neighborhood is. Eagle Rock High School has long been known for the lifelong friendships that result from spending an entire four-to-six years together—sometimes more if you started from one of the neighboring elementary schools.

This scholarship is a humorous way for a group of friends, alumni from the classes of S'89 and S'90, to give back to a school that created so many memories for us. We participated in sports, student government, service clubs and academics, and were guided by a community of teachers, parents and businesses who nurtured those memories and allowed our bond of friendship to run deep in our veins. We have carried that friendship through the years long after graduation.

We begin this scholarship the year we are celebrating our 30<sup>th</sup> Reunion, as we reminisce about those times, rummage through photos, old letters and yearbooks. We are remembering our teachers, the memories of those we've lost, the hallways, our lockers, dances, Tommy's after games and, of course, coffee cake days.

**Requirements:** College-bound Eagle who attended school from grades 7-12 or 9-12 continuously, was active in school activities (sports, service clubs, student government, etc.), community service and demonstrated genuine school spirit. Student must explain in their application what it means to have spent those years at Eagle Rock High School and be a member of the Eagle Rock community.

### **FELY AND ELY CRUZAT - FIRST GENERATION SERVICE SCHOLARSHIP (NEW)**

In 1979, Fely and Ely Cruzat moved their family of 8 from the Philippines to Eagle Rock in pursuit of their "American Dream." Like many immigrant families, it's a pursuit filled with many challenges unique to being a so-called "foreigner / an alien." It's a journey that requires patience, perseverance, and prayer. Fortunately, Fely and Ely had all of that as well as a deep appreciation for the values of community and education. They served the community via Fely's work as a nurse, and Ely's work as a paralegal. They encouraged their children to focus on education. In fact, five of their children and 2 of their grandchildren graduated from Eagle Rock High School, and two more of their grandchildren are set to graduate in 2024 and 2027. This scholarship honors their value of education, their journey as immigrants, and their work as community servants. This scholarship also serves as their "Thank you" to the Eagle Rock community for welcoming our immigrant family. We hope this helps a first-generation student in pursuit of his or her "American Dream."
